

# SPLOST 2013-2018

In 2012 citizens renewed SPLOST for six years. Projected revenues were \$120 million, with \$81.4 million going to Coweta County projects. The projects, as approved, will be started over the six year timeframe as revenues are available. The balance is split, based on population, among the eight municipalities. The funds are used for capital projects, they cannot be used for maintenance or operations.
